

TECHNICAL LIST FOR BORN IN SAND

The show has to be played in the dark. I have my own lighting and screen size 1.80×1.30, multimedia projector. For a bigger hall you need bigger screen.
Can also be designed on a white wall.

The performance is without words.

Once actor and one technical man.

Playground space for the sandbox and me minimum 5to 3m

Duration 40min

Age of the audience: family or kids from 3 to 12age
